**Note:
This example is for MI-AD Michigan Adoptioin.
Yours may be for MI-CT Michigan Court or another package MI-PB etc.**

2. Next a box similar to this one will open... double-left click on the download
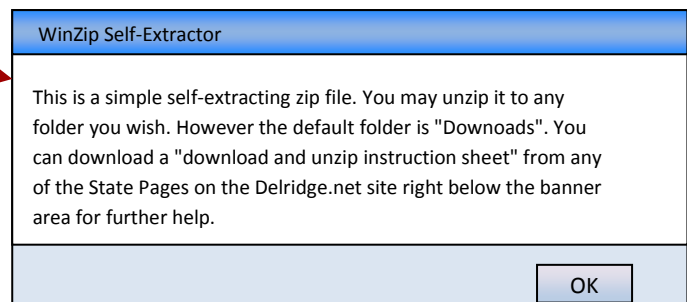

Downloads

MI-Ad.exe
1.1 MB – delridge.net

3. You will then get a warning box because the self extracting zip file has an ".exe" extension on it. It is not anything to worry about this is a simple "self extracting zip file"

   Click "Run"

Open File - Security Warning

The Publisher could not be verified. Are you sure you want to run this software?

Name: C\Users\Name\Downloads\MI-AD.exe
Publisher: **Unknown publisher**
Type: Application
From: C\Users\Name\Downloads\MI-AD.exe

[Run] [Cancel]

[√] Always ask before opening this file

Next you will get this information note:

WinZip Self-Extractor

This is a simple self-extracting zip file. You may unzip it to any folder you wish. However the default folder is "Downoads". You can download a "download and unzip instruction sheet" from any of the State Pages on the Delridge.net site right below the banner area for further help.

[OK]
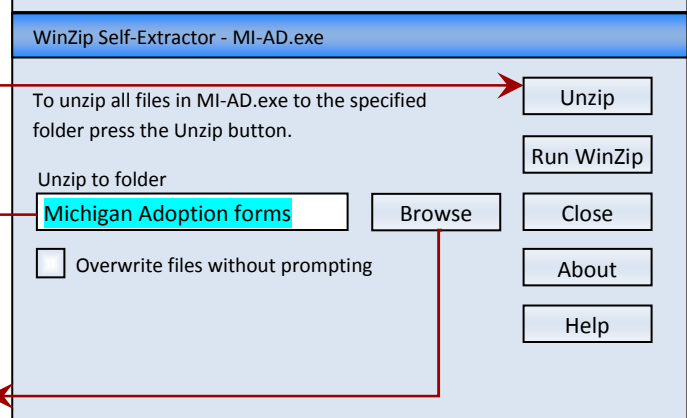

Then...

You can just click on "*Unzip*" and it will extract the files into a folder named "**Michigan Adoption forms**" which you will find in you "download" folder, which you can move to wherever you want...or you can click the "Browse" button and choose a location (folder) on your computer to extract them to. If you wish after you have chosen a folder, you can also type \Michigan Adoption forms at the end of that file path... for example the following file path where "\name\" represents whatever folder path you wish to place your forms in.

WinZip Self-Extractor - MI-AD.exe

To unzip all files in MI-AD.exe to the specified folder press the Unzip button.

Unzip to folder
